TRUE OR FALSE [Each question is worth 1 point.]

Indicate if each statement is true or false. If the statement is false, alter it to make it true.

37. A worldview is like a mental map that tells us how to navigate the world.

38. Muslims believe the Bible is the only authoritative and uncorrupted scripture preserved without error.

39. Muslims believe every human being is born a Muslim in a state of rebellion to Allah.

40. Secularism believes that religion should have an influence on education and government.

41. Marxists see the march toward socialism and eventually capitalism as a historical inevitability.

42. Karl Marx advocated for a peaceful transition to communism.

43. According to New Spirituality, consciousness is energy that we can connect to, harness, and use.

44. The god of New Spirituality is not a separate person with identifiable attributes.
45. New Spiritualists believe that we can permanently free ourselves from the illusion of self through achieving enlightenment.
46. Deconstruction says that the reader's interpretation is more important than the author's intent.
47. According to Christianity, God is not a force to be used but a person to be known.
48. To be a Secularist means to admit to nothing higher than man.
49. For Marx, the war against capitalism was also a war against religion.
50. According to New Spirituality, there is no difference between creation and the creator.
51. According to Postmodernism, our words describe reality.
52. According to the Christian view of metaphysics, matter came before mind.
53. There is no division of ethics and law in Islam.

54. Postmodernism accepts the notion of universal moral norms.
55. The task of Christian ethics is to determine what conforms to God's character and what does not.
56. Christians see common ethical systems among vastly different cultures as evidence of a universal law and thus a universal lawgiver.
57. The Quran describes the universe as unordered.
58. Marx reasoned that if evolution could provide hardier species, then sociological evolution could provide a better state.
59. New Spirituality's view on evolution emphasizes a biological progression not a spiritual progression.
60. The guiding principle of Secular psychology is that everything must be explained by material causes.
61. According to the Marxist theory of psychology, human beings can be conditioned to do good and advance the cause of communism.
62. In Islam, there are no boundaries between the institutions of family, church, and state.

63. According to Secularism, human beings are inherently good; it is society that makes us bad.

64. According to New Spirituality, the heart of society's problem is economic inequality.

65. According to the Christian worldview, God reveals only his law, not himself.

66. According to Marxism, proletariat laws must be overthrown and replaced with laws favoring the bourgeoisie.

67. The political goal of Islam is to establish a global Islamic theocracy.

68. Secularism's view for government is progressive and utopian.

69. According to New Spiritualists, personal transformation is the key to bringing about political transformation.

70. Islam does not label greed, selfishness, gluttony, and materialism as sins.

71. According to New Spirituality, the more enlightened a person is, the more money and success he or she will have.

72. According to Postmodernists, all historical accounts are fiction.

FILL-IN-THE-BLANK [Each question is worth 2 points.]

Fill in the missing word to complete each statement.
