When Jesus returns and the new heavens and earth are a reality, human beings will have restored relationships with God, with themselves, with other people, and with creation.

Essay [Each question is worth 5 points.]

Answer the following questions with at least one paragraph.

35. Explain the difference between justification and sanctification and how they relate to salvation. Justification is the state of being declared righteous before God through the work of Jesus Christ. This is what happens when we make a profession of faith in Christ and is why the Scriptures describe believers as people who have been saved. Sanctification is the process of becoming like Jesus. This happens after we receive Jesus, as we strive to follow him and his Spirit works within us to change our character and behavior. Scripture says that Christians are not only saved, but that they are being saved throughout their lives.

36. What are the main topics discussed in the New Testament epistles? Why?

The kinds of topics that are discussed in the New Testament epistles include how to relate to believers of different cultural backgrounds, how Christians should behave in family relationships, master/slave relationships, in relation to the government, and how Christians should conduct themselves to live holy and faithful lives as followers of Christ until he returns. The epistles discuss these things because these are topics that troubled the early church and that the apostles wanted to help believers to understand.

37. Why is the church important to Christians?

The church is important to Christians because Christians are the church. When the Bible talks about the church, it is talking about the followers of Christ in all places and times, even today. The church is important to Christians because it matters to Christ. Jesus said he would build his church. The church consists of the people who will reign with him in the kingdom of God. The Bible says that Christians are all part of Christ's body. By working together, all the parts of the body can do the task that Jesus has entrusted to us. The church is where we learn about the gospel and what Jesus taught so that we can share it with others as we seek to fulfill the Great Commission. Finally, the church is where we receive support and encouragement to grow in Christ and where we can practice how to be God's ambassadors of reconciliation by forgiving one another.
