Short Answer [Each question is worth 3 points.]

Answer the following questions using complete sentences.

30. Describe the four types of love discussed in Chapter 17 and why three of them could become corrupted if not caught up in self-giving love.
Agape is selfless, self-giving love. *Eros* is romantic love and sexual desire. *Philia* is love of family, friends, and community. *Storge* is natural affection. *Eros*, *philia*, and *storge* can become corrupted if not ruled by *agape*. Corrupt or selfish love is not really love at all.
31. Explain how Christians are to love God.
Christians are to love God by seeking him and enjoying him. We also love him by obeying his commands and loving other people.

Chapter 17 Test Answers

TR
17.10A

32. List the four questions for building strong communities.

What's good that we can protect, promote, and celebrate? What's broken that we can fix or restore? What's evil that we can stop? What's missing that we can contribute?

Essay [Each question is worth 5 points.]

Answer the following questions with at least one paragraph.

33. Explain five ways that Jesus modeled *agape* love.

Answers will vary but should include five of the following: Jesus modeled *agape* love by spending time with others, listening, serving others, grieving over human sinfulness and suffering, telling the truth, honoring women and children, advocating for the poor, treating outsiders with kindness and respect, giving his life for us, forgiving his enemies, empowering others, and praying for others.

34. What do Leviticus 19:13–18 and the parable of the Good Samaritan teach about loving our neighbors? Possible answer: In Leviticus, God said not to oppress or rob your neighbors or show partiality to either rich or poor. We should not slander neighbors, take vengeance, or treat the disabled poorly. The parable of the Good Samaritan teaches that everyone is our neighbor, even our enemies. To summarize, we should love our neighbor as ourselves. This pleases God.
